

Do you know that Good Shepherd has a parish app? You are missing out on great content if you don't have it downloaded to your phone or tablet yet.

If you would like to download the app to your phone/tablet right now, please use these links:

Android: <https://play.google.com/store/apps/details?id=com.weconnect.appv3>

iPhone: <https://itunes.apple.com/us/app/weconnect-parish-app/id1333569102?mt=8>

Or text to download:

iPhone: text parishapp1 to 555888

Android: text parishapp2 to 555888

After downloading the app, pick your home parish as Good Shepherd. (You won't have to do this every time.) If you need help, stop by the CF office and Mike, Corinna or Becky will get you set up.
