Pledged Stewardship

Membership in a parish includes active, financial support and participation, as much as one is able. Only you can determine what to strive for. It is a confidential commitment, and we prefer that you specify an amount to help both you and us in budgeting. The sacrificial Giving Chart below is based on selection of a percent of one's income—giving your “first fruits” of labor, rather than leftovers. Find your annual household income, choose a percentage you wish to share MONTHLY and mark your pledged gift.
