

A Few Words About Stewardship And Sacrificial Giving

Membership in a parish includes active financial support and participation, as much as one is able. One expectation of all members of Good Shepherd is to return the annual pledge card. Only you can determine what to strive for. It is a confidential commitment, and we prefer that you specify an amount to help both you and us in budgeting. The *Sacrificial Giving Chart* below is based on selection of a percent of one's income—giving your “first fruits” of labor, rather than the leftovers. Find your annual household income, choose a percentage you wish to share MONTHLY and mark your pledged gift on the form below.

YOUR ANNUAL INCOME:

Good Shepherd Stewardship Pledge

As an integral part of membership in Good Shepherd, we need everyone to complete an annual PLEDGE CARD. We prefer that you list a monthly pledge to match our monthly mailing, but other periods are acceptable. We highly encourage pledging a specific amount to help both your budgeting and ours. Return your Pledge via mail or the Weekend offertory collection. Thanks!
